CERTIFICATE OF ORIGIN

To Whom it May Concern:

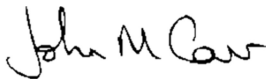

Pacific Alpacas is a fibre collection pool that has been in operation since 2010. We have collected fibre, nationwide from 400+ New Zealand breeders.

This document is to certify that ALL alpaca fibre supplied to purchasers, from Pacific Alpacas since inception, is 100% New Zealand grown, by New Zealand based breeders. We can trace all fibre sold to unique farms and can reconcile all fibre sold to fibre collected.

All fibre is sorted at our depot in Cromwell, Central Otago. It is either sent for scouring at Canterbury Wool Scourers, or sold as raw product, direct to customers.
