

Pacific Alpacas Newsletter 0517

June 9th 2017

SORRY WE HAD AN EMAIL PROBLEM!

We're sorry to send you two emails in 1 week but if you clicked on the link to info@pacificalpacas.nz and replied to our last one we probably never received it.

In the process of changing our domain from .com to .nz we sort of forgot to connect the email to the new domain. Well one of us did; the rest of us are blameless.

If you don't mind, please resend any emails you sent after the last newsletter.

2016 / 2017 FIBRE COLLECTION SEASON UPDATE

- South Island: Aside from a couple of repeat collections for certain growers/collection points, we have completed all our collection for the South Island for 2017.
- North Island: We will be doing one more collection run through the North Island; starting from Wellington on Sunday 25th June and ending in Auckland on Friday 30th June.

If you would like us to pick up during this run please either call Michelle on 021-762 051 or email info@pacificalpacas.nz – once we know how much is likely to be out there we will firm up our plans.

Alternatively, if you want to drop-off to either our Albany or Cromwell warehouses, we have decided to leave that option open all year round; we just need at least 48 hours' notice please.

- Michelle on 021-762 051 for Albany drop offs.
- Jason on 021- 484 936 for Cromwell (Cornish Point) drop offs.

Please, please.... Take the time NOW, to email or phone us if you want a pickup!

Best regards,

Steve Crow
