

Pacific Alpacas Newsletter 0917

September 11th 2017

Last Chance to use your 2017 fibre credits for alpaca products made your fibre!

We plan to close off our books for the 2016/17 season on Wednesday September 13th 2017, next week in preparation for an earlier payout to growers. We're able to do this because we have invested in improved systems this year.

If you are wishing to purchase any products using your fibre credit balance, then this is your last opportunity until next season. We won't be able to accept orders except for direct payment from Thursday next week until 2018.

Your fibre credit balance is currently:

I have attached our current price and stock lists for your information. This is a real opportunity to maximize your return on your fibre. More than 50 growers have taken advantage of this unique profit extension this year.

To those that contributed to the Pacific Alpacas fibre pool this year, thank you for your support; our next newsletter, which should be out next week, will address the coming season.

I hope to see you all at the 2017 National Alpaca Show in a couple of weeks. Look for our booth; we will be happy to answer any questions.

Best regards,

Steve Crow
