Pacific Alpacas Newsletter 0818

August 22<sup>nd</sup>, 2018

Dear (INSERT 'GREETING' FIELD)

### NEWSLETTER SCHEDULE

We now have over 400 activate growers in the pool so communication is becoming more and more important. From now on, we are scheduling a newsletter to go out on the 22<sup>nd</sup> of each month – so please keep an eye out for it and let us know ASAP if you don't get it.

The newsletters serve to answer questions we get asked by growers and as a means for us to keep you informed and to ask for information we need.

### HOUSEKEEPING

Michelle has almost torn out all her hair this season trying to get the information she needs to keep our operations running smoothly and minimise the admin overhead to the pool. She is our only admin person

and we (she especially) would really appreciate if you would respond to her emails, calls or texts as promptly as possible so she doesn't have to keep calling and calling, to get the information she needs.

Despite more than a dozen phone calls/emails/texts she still has two growers who have not provided the information necessary for payout.
